As of Friday, February 22, 2019, 23 locomotives have been delivered to Metrolink.

- 15 locomotives are available for service.

- 8 additional locomotives are undergoing installation and testing of PTC equipment
-

COMMUNITY NEWS

Metrolink invites residents of Elysian Valley, Cypress Park and Glassell Park to a community meeting on Thursday, April 11, 2019 at Dorris Place School (2225 Dorris Place) from 6:00-7:30 pm. The agency is interested in hearing from residents and will provide an update on the CMF.

Representatives from the 28th Congressional District, LA County Board of Supervisor Districts 1 and 5, LA City Council Districts 1 and 13 and other agency representatives including Metro and Metrolink CEO Stephanie Wiggins will be present.

Earth Day

Metrolink will offer free train rides in support of Earth Day on Monday, April 22, 2019. This service will encourage more people to leave their cars at home and minimize their environmental footprint by producing cleaner air and less traffic through public transportation.

If 1,000 people gave up their cars and rode Metrolink on Earth Day, they would reduce greenhouse gas emissions by 23,472 pounds, which is the equivalent of the carbon produced by a 12-acre forest, the size of 10 football fields.

Friday Night Train Service

As part of our April schedule change Metrolink is planning an addition to our Friday evening schedule. Starting April 12, 2019 there will be an addition of one roundtrip on Friday nights on the San Bernardino line. The train will leave Union Station at 11:30 p.m.

This change will allow for Metrolink riders to enjoy a concert, play or dinner in downtown Los Angeles and not have to worry about traffic, parking or leaving early to catch the last evening train.

The residents of Elysian Valley, Cypress Park and Glassell Park will not be impacted by this special train service.

Reminder

Homelessness is an issue throughout the greater Los Angeles area. Camping, walking, driving or playing near any active train line or along the Metrolink right-of-way (ROW) is dangerous. If you see an encampment along the Metrolink ROW please feel free to contact us at (866) 640-5190.

Questions and concerns can be directed to Metrolink's Community Relations emergency hotline at 213-452-0400 or to communityrelations@scrra.net.
